

# **Pawlet Historical Society**

## **Job Title**

Tombstone cleaner

## **Location**

Cemetery Hill, Pawlet, VT

## **Length of Appointment**

Special Event on August 21, 2021

## **Time Commitment**

9 am - 3 pm on August 21

## **Job Description/Special Requirements**

We have no large tombstones, and not too many that are broken. However, there are probably 400 tombstones in terrible shape, so cleaning is a huge job.

## **Benefits**

Our goal is to preserve history through these stones and to honor those buried in the old cemetery. We will provide lunch (burgers, brats or something similar), so please plan accordingly.

## **Support Provided**

We have been working with a member of the Vermont Old Cemetery Association to make sure our cleaning procedures are up to par with old cemeteries throughout Vermont.
